It shall be the duty of the several assessors of each district to attend at the place of holding every general special or township election, during the whole time said election is kept open, for the purpose of giving information to the inspectors and judges when called on, in relation to the right of any person assessed by them to vote at such election, or such other matters in relation to the assessments of voters as the said inspectors or either of them shall from time to time require.

In all cases where the name of the person claiming to vote is found on the list furnished by the Commissioners and assessor, or his right to vote, whether found thereon or not, is objected to by any qualified citizen, it shall be the duty of the inspectors to examine such person on oath as to his qualifications, and if he claims to have resided within the State for one year or more his oath shall be sufficient proof thereof, but shall make proof by at least one competent witness, who shall be a qualified elector, that he has resided in the district for more than ten days next immediately preceding such election, and shall also himself swear that his bona fied residence, in pursuance of his lawful calling, is in said district for the purpose of voting therein.

D. W. WOODRING, Sheriff.

v2n36-4t. Sheriff's Office, Sept 5, 1870.

WILSON AND WOODS.

To this Senatorial District more attention is now directed than has ever before been extended to it, and more, perhaps, than will be given it within many years to come. The State Senate is so nearly Democratic that with the loss of a few Republican Senators it will become entirely Democratic. The election of two Democrats to the Senate, even if the Republicans had a strong, working force there, would be a matter of regret to the Republican party. The election of two Democrats, under the present "extraordinary" state of political affairs, would well nigh prove itself a disaster to the Republican cause in the State, and would fall with fearful effect upon the politics of the nation. The Republican party in this District is strong enough to send to the Senate both Mr. Wilson and Mr. Woods, and it will do it, notwithstanding the predictions of the Democracy that they at least expect to carry Crawford through. This prediction, or prophecy, in favor of Crawford is not based on any innate or natural ability that the Democrats have for foretelling events, but is based upon that wondrous system of rules commonly known under the title of the "Democratic Arithmetic." Their predictions cannot be realized; they end in the puffs of bad breath that announce them. We believe that both Woods and Wilson will be elected; for we know that the party is growing alive to the importance of the questions involved in the election this fall; and it is a source of congratulation, not alone to the party of this District, but to the party of the whole State, that the District has presented such able and worthy men for the crisis that is upon us. We can hold up our head in the consciousness that Wilson and Woods are men who will be equal to the peculiar situation in which the politics of the times have placed them. We can rest assured that they, will ably assist in the re-districting of the State. This matter of apportionment is of the highest importance to the party, It is believed, too, that the next Legislature will be strongly urged to call a State Convention to revise the State Constitution. This is also a matter of importance to the people of the State, and the men to whose consideration these questions are submitted should be intelligent, and worthy in every other respect. Wilson and Woods have the ability, the integrity, in a word every qualification that is necessary to render satisfaction to the party, and, under the circumstances of the times, they will prove themselves an honor to the district and a credit to the State.—*Juniata Sentinel.*

The Wyoming women have caused a little consteration by resolving to ignore politics and vote only for the man of "good moral character." The election is for Congressman, too.

A lively fellow under arrest in Iowa has made a confession covering his doings for seven years. He remembers nine murders within that time, but don't care to go back any further.

ALL ARE BENEFITED.—When we erect manufactories we create home markets for our surplus products, and the whole community are benefitted by the exchange of the products of one man's labor for that of another.

Pennsylvania has produced 28,000,000 barrels of petroleum in ten years and a larger quantity has been brought from the bowels of the earth in the last year than during the same period in the height of the "oil fever."

Republican voters who have moved from one district to another, or who have moved into the county since the last election, should see that they are registered. Also, the new voters under the 15th amendment, should see that their names are on the assessment books.

NOTICE.—The Republicans of Spring township are hereby notified to meet in the Republican Club Room in Bellefonte on Monday the 10th day of October at 3 o'clock for the purpose of nominating a township ticket.

COMMITTEE

WHO IS HE?—It is said that a resident of this place, who is in the habit of "shaving notes pretty deep," keeps his securities in a trunk near the head of his bed and lies awake to hear them draw interest. That fellow will not vote for Wm. P. Wilson.

COLLAPSED.—A Theatrical troup recently collapsed at Eric, Pa., cause, short receipts and the "flowing bowl." The same cause will collapse the Democratic party of this county this fall, for all honest, sober and intelligent men are going to vote for Wm. P. Wilson, for Senator.

A GOOD many Democrats profess to be in favor of Buckalew's theory of minority representation. They have now a good opportunity to test it on a small scale in the County Commissioner's office by electing Daniel B. Malone. We are inclined to think that would be a very good thing.

PROTECTION, not only builds furnaces and railroads but with them brings good markets and a varied industry. In the vicinity of railroads and furnaces the farmer is never in want of a market. Farmers of Penns Valley, vote for Robert H. Duncan who has always stood up manfully for protection and your railroad interests.

BEAR THIS IN MIND.—Let the Republicans of Pennsylvania bear this in mind, that success in politics as in everything else is the result of labor well directed. It is voting the last man that swells the aggregate. To make sure work of it on the 11th of October, to retain our ascendency in Congress and the State Legislature, and in order to show no dimunition of strength over which the Democracy can crow, let our Republican brethren in every election district in this county take measures in advance to insure the voting of the last man, and be certain to vote for Wm. H. Armstrong and the whole Republican ticket.

THE DIFFERENCE.—Free-trade means poverty and pauperism. Protection means prosperity and plenty. Free-trade makes the rich richer and the poor poorer, as the history of England, the apostle of Free-trade, shows, where nearly one-third of the population are paupers, while the vast wealth of the country is held by a few titled dignitaries and purse proud aristocrats. Yet such are the blessings that Copperheadism offers the people of the country with its free-trade platform. Armstrong is in favor of Protection and prosperity and opposed to making the rich richer and the poor poorer. All industrious laboring men will vote for him.

A CAREFUL canvass of every voter in the county will show a Republican majority of about one hundred and fifty votes. If the returns of the election do not show the same thing it will be because too many Republicans stay away from the polls. We lost our member of the Assembly, Prothonotary and Treasurer, last year by the Republicans staying at home. In other words, James P. Coburn, H. P. Cadwallader and Samuel L. Barr were defeated by three hundred and twenty five Republican voters remaining away from the polls on the election day. It is to be hoped that all good citizens of the county will be at the polls on the 2nd Tuesday of October and vote the whole Republican ticket.

WHEN we have people enough to raise all the grain and farm produce we want and enough to manufacture all the iron we want why should we send to Europe for iron, and have our own people idle and poor? Is it any advantage to the farmer to send his grain to Europe, pay transportation and then sell it at half price to pay for cheap iron, when by paying a very little more for iron made at home he gets a full price for his grain at his own door? The former is the result of Free-trade and ends in poverty. The latter of Protection which brings wealth and prosperity.

Farmers of Centre county, Wm. H. Armstrong has always stood by your vital interests, in favor of protection and prosperity, and opposed free-trade and ruin, vote for him, then, and secure continued prosperity for yourselves and children.

PROTECTION—WHAT IS IT?

Working men should consider that the very root idea of the protective system is to foster and defend *labor*. It permits and suffers the ingress or importation of all raw materials and products that do not conflict with domestic industry. It excludes and drives off *foreign labor*. Protection is not taxation. The tax is only an incident—only the means used to guard against a suicidal competition with the under-fed, underpaid serfs of other countries. In fact, when this system has unimpeded play, protection works against and does away with taxes. It tends to relieve from taxation everything which we must import, and to add to the cost only of those articles which, having or making ourselves, we should not import. For instance, under a pure system of protection there will be no taxes on tea, coffee, indigo, or foreign drugs, or raw materials which we cannot produce. All these things are let in free. Duties are laid only on the results of labor, because that labor can be applied to the new product by our own laborers with more profit to themselves and to the country. *Protection is merely a breastwork for the American workman against his foreign enemies.* The whole system reduces itself to that one idea, and it is an idea that the voting laborers of this our land cannot revolve in their minds too earnestly or too often—remembering, at the same time, that the Republican party is the true friend of this protective system, and hence the only friend of the laboring classes.

If you want to have your country to prosper under home Protection, vote for Hon. Wm. H. Armstrong.

THE DUTY OF THE HOUR.

Ten years ago—says the Somerset *Herald*—the Democratic party was in power and to all human appearances impregnable. The Executive, Judicial and Legislative departments of the government were all Democratic. But ambition, and slavery and treason cohabited together in its ranks and bred discord, and it was discord and not the fell spirits that rioted in its bosom that caused its overthrow. It did not fall asunder because of its hell-begotten sins of slavery and rebellion, for its masses had been so taught and their better sentiments so blunted that they hugged those delusions of the devil to their bosoms, but because schisms in its ranks were fostered by the personal ambition of its leaders it split assunder, and became an easy prey to the young and comparatively weak Republican party. Theirs has been a severe lesson. Let us profit by it and lay its instructions to heart. Let Republicans discard all strife about men and following only in the lead of principles unite all their energies, and thus continue their ascendancy and their control of public affairs. Democrats are to-day counting upon regaining the power they have lost, not by force of their own numbers, but through divisions and supineness in our ranks. Close up the ranks, Republicans! in unity there is power and assured success, in discord defeat and political death. Vote for the whole Republican ticket.

DANIEL B. MALONE.

The popularity of this gentleman, as well as the fact that a great many Democrats in the county having become very much dissatisfied with the mismanagement of the county affairs, by the present board of Commissioners; and have expressed their determination to inaugurate a reform in that department by aiding the election of Mr. Malone, has irritated the leaders of that party, who think they own every Democratic voter in the County, to such a pitch of frenzy as to cause them to descend to the low depths of personal vituperation and defamation. They are afraid to have the iniquities of that board unearthed and brought to light, which, if Mr. Malone is elected, would be done. They know that as matters now stand his election is almost certain, hence the emination of their wrath and personal abuse in the *Watchman*. Honest Democratic citizens, as well as all others, who wish an honest administration of the County affairs in the Commissioners office, will vote for Daniel B. Malone for County Commissoner. Those who are in favor of stealing, fraud and dishonesty, of course, will vote against him.

ARE YOU AT WORK?

Workingmen, Farmers, Mechanics of Centre county, of the six Counties composing this Senatorial district, what are you doing? Are you at work? Remember that the election of Wilson and Woods will enure to your benefit. Remember they are good and pure men, superior in morals, sobriety, intelligence, purity and integrity to their competitors Petriken and Crawford. One vote may elect these pure men and defeat Petriken and Crawford who are pledged to the $9,500,000 swindle. We say they are pledged to this swindle because they refused to stand upon a platform which denounces it. Republicans of Centre up and at them. Do your whole duty and Wilson and Woods will be elected and victory, glorious victory will be yours. Remember we can carry both the County and District if you only think so. Take no step backwards. Listen to no disorganizer, but work late and early from now, until the polls close, for Wilson, Woods and the whole County ticket—for Armstrong, protection, and the rights of man.

OUR party calls on every honest, faithful Republican who entertains a hearty interest in the industrial and national welfare of our county to go to work. It places no reliance upon such as grumble at men and are soured because they did not obtain political preferment. Our party and our country would go to ruin if they depended alone upon political tradesmen who laugh when they are successful and curse when their applications for office are rejected. We depend upon the thinking honest men of the district to attend the polls—talk to their neighbors, and decide the coming contest by a large majority. Let the farmers and mechanics, while they ply their tools think of the interests we have at stake and act in accordance. Vote the whole Republican ticket without a single scratch.

THE imprint of a woman's face, affixed there by lightning, is plainly visible on the glass of an attic window at Lawrence, Mass., and a great sensation is created thereby.

An imprint of Democratic faces on the day after the coming election will create a greater sensation. There is but one way to keep your "phiz" out of that picture gallery, and that is for everybody to vote for Robert H. Duncan, as all good citizens will rejoice at his election.

THE COUNTY PLUNDERERS.

The corruption and *malficence* practiced, to the oppression and injury of the taxpayers of this County, by those holding County office belonging to the Court House Ring have been so often exposed by us that it may appear to some minds, superfluous on our part to persue the subject further.

That the citizens of this County have been basely and outrageously robbed for several years past by those in whom they have placed confidence and to whom they have confided the guardianship of their material interests, is a truth that no honest citizen will pretend to deny. For the last eight or nine years, so great has been the peculations of the County officers, and their friends, that many Democrats as well as Republicans have repeatedly protested against the criminal acts perpetrated by the ring and their compatriots in peculations but without success. Many of these Democrats who have ceen annually crying out against the unscrupulous acts of the ring, and their friends, and who have felt the oppression of its acts, have allowed themselves to be annually wheedled into, or by a vigorous use of the party whip, lashed into their support, and continue to vote the same men, or their pliant tools into office.

Ever since the board of Commissioners have been unanimously Democratic, thus removing the last restraint upon the idle and corrupt men who have manipulated the County finances, they have been heaping taxes upon the shoulders of our citizens and filling their own pockets with money wrung from the sweat and toil of the honest and industrious tax payers. These are some of the maney facts complained of by many Democratic tax payers who appear to be anxious to have a reformation in the board of Commissioners.

The last published report of the Commissioners, of the Receipts and expenditures of the County, makes it appear that their collectors are indebted to the County for taxes assessed and collected in 1868 *and previous years*, $37,144,98 and that the County is indebted $35,893,-74. If the Commissioners had performed their *sworn duty* the debt of the County would have been paid, the taxes reduced and a surplus now in the treasury. If there had been a Republican Commissioner in the board, the criminal peculations of the Ring and their friends would have been prevented and the rights and interests of the tax payers of the County properly respected. Just as long as the tax payers continue to vote the members of the ring, or their tools, into office, just so long will they be burdened with increased taxation. The pecuniary interests of the tax-payers and the moral welfare of the whole community, make it the imperative duty of all good citizens to resist the party lash and thereby bring about a Reform in the administration of our County finances. When the tax payers do that, our County Commissioners will not be obliged to ransack the county to borrow money at 12 or 15 per cent to meet the current expenses of the County, nor would the citizens of the county again be dishonored by having the obligations of the county for fifteen or twenty thousand dollars protested for the want of funds to liquidate them.

We do not say that all of our County officials are personally dishonest, but it is a notorious fact that they are surrounded by wrong advisers, utterly unscrupulous men, who wilfully conceal their real designs under a hypocritical pretense of a peculiar regard for the "dear people." Have not the people seen some of these men grow rich without any visible means of even a respectable subsistence, while others belonging to their ring have multiplied their wealth in a ratio far above what any ordinary or honest use of their powers and opportunities would have enabled them to do? It is time their game was blocked, and they turned out of this fat pasture to find a living upon the highways where men of less pretensions but quite as much honor and a great deal more chivalry than themselves ply the vocation of bandits.

If the people want to be fleeced let them continue to trust these men. If they want to be relieved of the onerous taxes they are now compelled to pay, let them go out to the polls in October, and vote for Daniel B. Malone for Commissioner, whose honesty can be relied on and who will endeavor to serve the public, and not a few designing politicians and intriguing, avaricious knaves who live, grow fat and wax rich on the earnings of the honest tax paying people of the County.

Tax-paying Democrats, you now have a chance to aid in rebuking this Court House Ring and in reducing the burdens of taxation that you complain of. Will you, dare you resist the party lash and vote an honest man—D. B. Malone into office? Do this and we will guarentee the reduction of your County tax the first year he is in office, at least 2½ mills to the dollar.

GET OUT THE VOTE.

Republicans of Centre, we guarentee you success if you will do your whole duty. If you will poll every vote in your respective tp., you will elect R. H. Duncan, and defeat that soldier-hating, treason sympathiser—P. G. Meek.

Get out the whole vote. Be sure you do this. Make every necessary arrangement to poll the last vote. Have your wagons, carriages and buggies ready, to haul the sick, the lame, the aged and infirm to the Polls. We need them all to insure the election of our Senatorial, Assembly, and County ticket. Work, work, friends, as you never worked before and your District and State will be saved to the Republican party and Liberty for the next twenty-years, and the little scaly "Pincher and Rooster"—Meek will be compelled to remain at home, when he will have no opportunity to impose 50 per cent taxes upon your lumber. To the Polls, Republicans, to the Polls.

A MODEST music dealer was recently non-plussed by a lady as stout as Parepa Rosa, who inquired, "Have you 'Put me in My Little Bed?"

The same question will be asked by many of our Democratic friends, in this County on the morning after the 2d Tuesday of October, 1870. If you don't want to be put to bed, at that time in bad company vote for Armstrong.

EVERY Free Trader desires the defeat of Hon. Wm. H. Armstrong. All persons who are in favor of Home Industry receiving proper protection will vote for Wm. H. Armstrong.

REPUBLICANS, we beseech you, do not neglect to be at the polls. To make the Senate safe we want every vote. Don't forget to vote for Wm. P. Wilson and D. Walker Woods.

For the REPUBLICAN.

BEECH CREEK, Sept. 29th, 1870.

COL. BROWN:—*Dear Sir.* Your statement in the REPUBLICAN of the 28th, in regard to the Big Sandy Run charter is true in every respect so far as it goes; but all the facts concerning that swindle is not stated.

True, as you have stated, Sayler Day & Morey are the large lumber operators on Beech Creek, or on a large steam saw mill at the mouth of that stream. They reside in Phila I do all their logging, and all the business connected with their logging, and log driving on Beech Creek. They have been operating on Big Sandy Run since 1861 and 62. At that time, they leased the timber on four tracts of land from the Snow Shoe Association, improved the stream up about 3 miles, and built a splash dam at a cost of about 2500 or 3000 dollars, and worked away undisturbed until 1867, when Messrs. Welsh & Allen also leased four tracts farther up the stream, and built a dam on the left hand branch of it Then without any authority come to the dam of Sayler Day & Morey, and changed it so their logs could pass through, charging at the same time the greater part of the expense to Thomas Mason & Co., they paying the same, which amounted to about 400 dollars, in consideration of which they, F. W. & Co., now Brown Hastings & Co., out. Up to this time, Welsh & Allen never spent a dollar for the improvement of the stream below Saylor, Day & Co's., dam, they W & A. using the dam of S. D. & Co., and the stream they improved at so large an expense passing through their own land, and lands that they held under lien from the Snow Shoe Land association, and the only compensation they ever recieved was what water could be raised in the upper dam, when the stream was high. When the water is low the upper dam will not fill at all.

This was the situation of the stream, when Mr. Allen & Co., (I mean the Allen fo Rebel fame) in complicity with some others of like proclivities, attempted to perpetrate that fraud on the land owners, and owners of timber on Sandy Run.

That Saylor, Day & Morey of Phila., Geo. Trolinger & Co. of Harrisburg, Thomas & Mason of Beech Creek, made fight, is true, and it is also true, the parties interested in the passing of that swindle did agree with Thomas, Mason & Co., now Brown Hastings & Co., that if they would withdraw their opposition to the bill, and permit it to pass that they, Thomas, Mason & Co., should have the privillage of driving all their timber out free of toll, they did so, and withdrew their opposition, and the swindle passed. The same season Thomas, Mason & Co. sold the same timber to Brown Hastings & Co., subject to the same arrangement with Allen, Meek & Co. Upon their lands there was about five million feet of lumber upon which the swindlers now claim toll. Last spring as usual when the floods came, I went to Sandy to drive the logs out. Did the driving, splashing and every thing that was done at my own expense. On my return home about the 1st of May, I was informed Mr. Meek had been down to collect tolls. A few days after I received a letter from the same gentlemen I was taken by surprise, and forwarded the letter to the Co. in Philadelphia asking why they did not inform me of the sale of their improvement on Sandy Run, and to my suprise, they answered that they knew nothing about it. I then answered Mr. Meek that they could not claim tolls from us, under the circumstances but would sell our improvements to the Co., cheap, but got no answer. There is yet on Sandy Run 15 millions of lumber belonging to the S. S. land association and others, to come down that stream, the tolls on that amount would build a very large Brick house. I have given you the facts in the Sandy run swindle, also Mr. Meek's letters, copies of the summons served on S. D. M. & B. H. & Co. And would also, say here to the Big Sandy Run Improvement Co., that if they intend to enforce such a fraud upon the honest lumbermen of Beech Creek, they will find "Jordan a hard road to travel." *And if it is the 400 dollar fee, Mr. Meek is after, I would advise him to try some other course.* You may ask why charge Mr. Meek? We charge him because we know of no other parties. The demands for tariff, all came from Meek. We know nothing about the affairs, but from the interest Mr. Meek seems to have in this swindle. We presume him to be the owner of all the stock, which we suppose amounts to about $400 hundred dollars, also to be President Vice President. Secretary and the most important of all, TREASURER, with the assistance of W. L. Allen as stool pigeon, which I think is the sum total of the Big Sandy Run Improvement Co. You can publish this if you see proper. It is not written with any malice against Mr. Meek, but to inform you or the citizens of Centre county, of the doings of the man, who asks them for their suffrage, who seeks to be their Representative at Harrisburg, and to show the danger of electing men to the Legislature of Pennsylvania whose only aim is, to enrich themselves at the expense of the honest yeomanry of Centre County.

AGENT FOR S. D. & M. & B. H. & Co.

We here insert the Letter of Mr. Meek to Messrs Day & Sayler, demanding the "blood money" or toll. It will be perceived that Mr. Meek signs himself as Secretary of the Company. Will he please tell us who is President and who is Treasurer, and why does he manifest so much interest in collecting the toll? Read the letter.

OFFICE OF THE DEMOCRATIC WATCHMAN,
BELLEFONTE, PA., April 9th, 1870.

MESSRS. DAY & SAYLOR.

Gents:—I wrote to your agent, Mr. McGhee, last week, in regard to tolls on Sandy. I have had no reply. You are aware that the charter for Big Sandy, authorizes the company to charge 50 per cent. extra if the tolls are not paid within ten days after the lumber has been started in said stream, and that the logs floated shall be subject to a specific lien for said tolls.

I am entrusted by the company to notify you that unless the tolls are arranged by the 1st of May, that the 50 per cent. will be added, and a lien taken upon the logs.

I am, Very Respectfully Yours,
P. GRAY MEEK,
Sect'y Big Sandy Run Im. Co.

We also insert, to show that there can be no mistake in this matter, and that Meek is determined to obtain his "Pincher" and "Rooster" money, the copy of the Record of the Clinton county court certified by W. H. Brown Prothonotary of Clinton county, and a Democrat at that. That Record Shows that Meek brought two suits. The one against Day, Saylor and Morey. The other against Brown, Hastings & Co.,—The following is the Record:

THE law does not require receipts to be stamped after last month, but this office will continue to give our subscribers receipts for all the stamps they send in or hand over the counter. Vote for Armstrong and elect him, and all your income tax will be taken off by the next Congress.

ATTENTION WORKINGMEN—TARIFF, OR FREE TRADE. WHICH, JUDGE YE.

The Congressional elections this fall, are of incalculable importance to the laboring man, the farmer and the man of business. A powerful effort has been made, by means of British gold, to overthrow the power of the Protectionists in Congress, and the same element will be at work in every Congressional District in the coming elections to defeat every tariff candidate for Congress. This is not a mere party question. We trust that our readers have too much intelligence not to attach sufficient importance to the issue. When our pocket books, our rights, our very existence, is at stake, we must lay aside party considerations for the moment, and examine into the principles of the candidates before we cast our votes. If Pennsylvanians are true to the interests of our Commonwealth, not a man, whether he be Republican or Democrat, will be sent from this State to the next Congress who is not known to be a firm, earnest and hard working Protectionist.

England with her impoverished millions, reduced to their present condition by her Free Trade policy, sees no hope for salvation anywhere else than in this country. Germany, believing it necessary for her own prosperity to manufacture whatever she can, has a Protective Tariff, and England is virtually shut out from that market. Belgium manufactures her own iron and whatever else she can and she has grown prosperous and her people are happy and contented. France has done the same thing, and no one of these Nations can be induced to make the laboring men of their countries miserable for the sake of enriching England. Here in this country she sees party spirit running so high that the most prominent enemy of the country can be elected to office. It is by means of money she expects to elect a majority of Free Traders to the next Congress and should she succeed the Tariff will be abolished and England will thrive again while America starves.

Demagogues assert that Protection is a tax upon the people, that it gives a monopoly to the manufacturer in this country and enables him to command his own prices. This is not so. Under a protective Tariff, American manufactures compete with each other, and the demand and supply regulate the prices. There is less importing done and more American goods are used. Our money goes into the hands of our own workmen, producers and manufacturers, and thence circulates through the ordinary channels of trade, making our country prosperous and richer year by year, instead of going into the hands of the British manufacturer, making England richer and our own country poorer.—Under Free Trade, prices are no lower, and in many cases not as low, when England has supreme control of our markets, than under Protection. Under the former policy the market is liable to be overstocked at any moment by sudden and heavy shipments from England, and business becomes so ruinous by its uncertainty that our manufacturers are compelled to close up.

Even if the theory of Free Traders, that Protection makes high prices, is correct, how would it benefit us if goods are sold ever so cheap, and we have no money to purchase them with. Imagine for a moment the prevalence of Free Trade principles, our ports thrown open, duty free, in the importation of foreign pauper labor manufactures, with all our iron works lying idle, our workmen out of employment and on the verge of starvation, and no money in circulation, what difference would it make to our people whether our merchants sold broadcloth at three cents or three dollars a yard when they have no money to buy it with?

But we have had stronger proof of the wisdom of Protection in the past ten years than can be shown in argument. It has been brought into the household of every inhabitant of the State. Under the protective system we have grown to be the most prosperous Commonwealth in the Union, and under it we shall continue to grow more and more prosperous from year to year, with billions of yet undeveloped resources which it will gradually develope, but which, under the system of Free Trade, would never come to light to swell commerce and multiply manufactures and work-shops. These are facts which the people of Pennsylvania should always bear in mind—and especially should they be remembered when the voters go to the polls to deposit their ballots on the 11th of October.

DR. D. M. CRAWFORD.

This gentleman who is on the Democratic Senatorial ticket with R. B. Petriken, is like Petriken very unpopular at home. The *Independent* a staunch Democratic paper published in Millintown Juniata County—the home of Dr. D. M. Crawford—refuses to run up his name or to give him any support.

In speaking of the Republican nominees the *Independent* says, "Wm. P. Wilson, Esq., and David W. Woods, Esq., are men of fair reputation—as lawyers they have obtained good standing and well established characters." The *Independent* then speaks as follows of Dr. D. M. Crawford, one of the Democratic nominees:

What is the use in talking about the unpopularity of the Republican candidates in a strong Republican district, when we have a candidate who is unable to rally his own party in his support—with a candidate who is openly opposed all over the county by Democrats who are determined in their opposition, and who have publicly declared that they will fight it out on that line until after the election? It is humiliating and mortifying beyond measure to know that the Democrats had the material for a ticket that would have insured success, but that certain victory had to be sacrificed to gratify the aspirations of a petty politician like Dr. D. M. Crawford."

Honest Democrats of this County, of this Senatorial District, here is Democratic testimony in favor of the fitness of Wm. P. Wilson and David W. Woods, and against the fitness the qualifications and honesty of Dr. D. M. Crawford. As honest men we shall only say to you, choose ye.

HAIR VIGOR.—In common with many others we have felt a lively interest in the investigations which Dr. Ayer has been making to discover the cause of failure of the hair, and to provide a remedy. His researches are said to have been much more thorough and exhaustive than any ever made before. The result is now before us under the name of Ayer's Hair Vigor. We have given it a trial, and with full satisfaction. It equals our most favorable anticipations. Our gray hairs have disappeared, or resumed their original color; and a visible crop of soft, silken hair has started on a part of the scalp which was entirely bald.—[Democrat, Abingdon, Va.

For the REPUBLICAN.

RESOLUTIONS VOTED DOWN.

WHAT DOES IT MEAN?

The following are the resolutions offered by John H. Orvis, Esq., in the Senatorial Conference which put in nomination D. M. Crawford and R. B. Petriken. The conferees from Centre and Blair and one from Huntingdon supported these resolutions, but they were defeated by the votes of Mifflin, Juniata, Perry and two from Huntingdon, the identical votes by which Crawford and Petriken were nominated. From this the conclusion is inevitable, that these gentlemen are pledged in advance to assist in robbing the State Treasury of the securities now in the sinking fund, else why would they and their friends refuse to pledge them against all such schemes?

Whereas, We believe with Jefferson, that "a wise and frugal government which restrains men from injuring each other, but leaves them, otherwise free to pursue their own ideas of industry and improvement, and does not take from the mouth of labor the bread it has earned is the sum total of a good government," and therefore the establishing a system of internal improvements by, and at the expense of the State is contrary to the fundamental idea of a free government, and can only be excused in the earlier history of a community, when capital is not sufficiently aggregate to enable such improvements to be conducted by individual or corporate enterprise, which period has long since passed in the history of Pennsylvania; and

Whereas, The people of this Commonwealth in 1857, by solemn constitutional enactment, provided for the establishment of a Sinking Fund which should consist in part of the net annual income of the public works owned by the State and the proceeds of the sale of such public works; and further provided that no part of said Sinking Fund should be used or applied otherwise than to the extinguishment of the public debt as long as such debt exceeded five millions of dollars; and at the same time prohibited the State loaning its credit to any individual, company, corporation or association, or becoming a joint owner or stock holder in any company, association or corporation; and also prohibiting the State assuming any portion of the debt of any municipal or other corporation or association, unless the same was created for the public defence in time of war; and also took from the Legislature the power to authorize any municipal corporation to become a stock holder in, or loan its credit to, any corporation, association or institution:—Therefore be it RESOLVED.

1st. That we are in favor of maintaining inviolate the principles thus incorporated into the constitution of Pennsylvania, and of preserving with sacred fidelity the faith of the State thus solemnly pledged to our public creditors.

2nd. That we are in favor of preserving the securities now in the Sinking Fund, arising from the sale of the public works, and such as have already been substituted therefor, in their present form and securities, both principal and interest shall be paid according to the tenor and effect of the obligations, and that the proceeds thereof shall be honestly appropriated to the payment of the public debt.

3rd. That we denounce all schemes by which the securities now in the Sinking Fund, are to be diverted to any other use, loaned to any corporation, or exchanged for the obligations of any other corporations, or in any other manner tempered with, as a violation of the spirit of the constitutional provisions above recited, a breech of public faith, and part and parcel of a scheme of gigantic corruption and public robbery.

4th. That it is the duty of the candidates this day nominated by the Democracy of the 21st Senatorial district of Penn. to give pledge to support and maintain throughout their Senatorial term, the principles and policy enunciated in the foregoing preamble and resolutions.

What did the voting down of these resolutions mean? I appeal to my Democratic friends of Centre Co., and ask them this question; do not these resolutions constitute a good platform? As a declaration of principles are they not compact and complete with Democratic doctrines, economy, preservation of the public securities in the Sinking Fund—opposition to the loaning of the State credit to any individual, company or corporation? Was not the voing down of these Resolutions an act of unpardonable stupidity, to say nothing of the dishonesty of the act? Sad as the truth is, my fellow Democrats, it is nevertheless the truth, that they were voted down in a Democratic convention, and by the same men who forced upon our party Crawford and Petriken as our Senatorial candidates. And, why? Simply to leave Crawford and Petriken free, if elected, to vote next winter in favor of robbing the Sinking Fund of $9,500,000. As an honest Democrat I appeal to honest Democrats, and ask you, if you will vote to elect such men to office? Will you by your votes disgrace and damn our party by endorsing, or aiding and abetting, this swindle? Are we slaves that we must bow to the beck and nod of such men as Crawford and Petriken? Gov. Geary saved the State the loss of this $9,500,000 last winter, but what assurance, what evidence have you or I that he will again veto a bill passed in the interest of the corrupt men who are doing all in their power to succeed in getting this large amount out of the Sinking Fund? I hold that our only safety lies in voting against Crawford and Petriken, and their friends who refused to place themselves fairly and squarely upon a Democratic platform. Let us Democrats of Centre, stand by the platform and repudiate the candidates who refuse to stand upon it. It can not injure our standing in the party to vote against Crawford and Petriken, and, thus re-declare that good old Democratic doctrine, that we vote for measures and not for men. As for myself rest assured that I will stand by the platform, and vote against the men who refused to stand upon, or sanction it in any way. I would sign my name to this article; but you all know who I am. At least you ought to know.

A DEMOCRAT.

A LIE NAILED.

NO HOPE FOR SHERWOOD.

NO ROOM IN CONGRESS FOR FREE TRADERS.

TIOGA COUNTY O. K. FOR HON. WM. H. ARMSTRONG.

The letter which we publish below was written as will be seen, by one of the best and most reliable citizens of Tioga County, to a gentleman in this town. It gives the situation exactly, and shows conclusively that every Democrat who votes for Sherwood, free trade and repudiation will lose his vote. But read the letter.

WELLSBORO, Pa., Sep. 26, 1870.

DEAR SIR:—I have yours of September 23d, stating that the enemies of Hon. Wm. H. Armstrong are circulating in your county, the very foolish lie that he—Mr. Armstrong—will not have over one thousand majority in this county, and asking me what foundation, if any, there is for such report. In reply, I am happy to inform you that Mr. Armstrong will poll almost the entire strength of the party vote. Sherwood his Democratic opponent is a lawyer in good practice, and it is quite possible that some Republican client may vote for him out of personal friendship; but not a great many. Mr. Armstrong is now here, and is meeting with the kind of receptions which all faithful public servants deserve, and his friends, and the friends of the country and good government are making an active canvass in his behalf. Mr. Armstrong's majority in this county will not be less than 2,000, and may be more than 2,500. Tioga has always been the banner Republican county and always will be. We have had some local disaffection in our party here, but this will not affect Mr. Armstrong. And it may be possible that the Democratic leaders here have based their hopes of success upon this fact. But if so they are "counting without their host." People here have not forgotten Mr. Sherwood's position during the late war, and they do not want a *free trader* to represent them in Congress.

Yours Truly,
JNO. R. BOWEN.

MORE EVIDENCE AGAINST MEEK AS "PINCHER & ROOSTER."

SAM JOSEPHS OUT DONE—JIM BURNS KNOWS HIS MAN—HE WANTS MEEK ELECTED—MEEK LEGISLATES FOR HIMSELF AND RING—ANOTHER SWINDLE—THE MARSH CREEK IMPROVEMENT COMPANY.

Last week we gave some facts in regard to the great swindle entitled the "Big Sandy Run Improvement Company" and additional testmony this week.

We also, for the purpose of showing up P. G. Meek in his great character of "Pincher and Rooster," and his heartlessness in imposing a tax of from 50 to 75 cents per thousand feet upon all the lumber used by the farmers mechanics and working men of Centre County, who may wish to build a house, barn, out houses or post and rail fence. Meek cries out against taxation, revenue taxes, yet when in the Legislature he, for a consideration, worked and voted for the passage of Acts to impose a tax of 50 to 75 cents on every farmer, mechanic or working man who may use 1,000 feet of lumber.

The "Marsh Creek Improvement Company" is similar in every way to the "Big Sandy Run Improvement Co." This Marsh Creek Bill was passed the 17th day of April 1869.

The Corporators are "Charles Hewett, D. R. Bennett, John McFarland, H. Y. Stitzer, Balser Weber, Wm. Allison, Jr., and C. T. Alexander." It will be seen that the name of C. T. Alexander is in this bill, also in the Big Sandy, the name of H. Y. Stitzer Chairman of the Democratic County Committee is in each. Do the honest Democrats not heer the distinct ring of the Court House Ring in the passage of these two Acts? Honest Democrats do you sanction such Legislation as this? Do you endorse the action of P. G. Meek in passing acts to put money in his own pockets and at the same time take it out of your purses? Consider well before you vote for Meek. We defy him to successfully contradict the facts we have published. We will have more to say on this subject before the election takes place. Keep a look out.

Meek denies that he owns stock. We prove by A. O. Furst, Esq., and John McGhee that he confessed to him that he did own stock. We have nailed him. We have exposed his swindle. Honest tax payers rebuke him, by refusing to send him back to Harrisburg.

LOCAL ITEMS.

TO CORRESPONDENTS.

Haines.—Yours will appear in our next.
Robert.—Yours will also appear in our next.
Shary.—Your poetery will appear after the election.

"Household Treasury" at Rankin's Book Store.

There will be much rejoicing among husbands. All the Paris fashion papers have suspended publication, and the women of this district prefer the election of Wilson and Woods to the Senate.

Phil Stover, of the *Berechter*, has been talking about us in "dutch" to his readers. Oh! Phil, you know that in your language you have the advantage of us. "You ought not to do such things."

The Metalic Heel.—This is a new invention and is attached to the boot or shoe by means of screws and is fast succeeding the ordinary heel. They are to be had at Graham & Son, of this place who has shop rights for sale. Call and see them.

Apology.—A contemporary accuses us of "stealing" one of its items and not giving it credit for the same. We are very sorry that we have offended our friend, but we emphatically deny "stealing" his item. We only borrowed it, and when we are through with it, we will return it. This is the best we can do for him at the present, and we hope it will not prevent him from voting for Hon. Wm. H. Armstrong.

Enterprise.—J. D. Miller, the enterprising book seller of this place has put down a new pavement in front of his establishment. Such enterprise should not, and we suppose will not, go unrewarded by the many who repair to his store to purchase school books, late papers, &c., which he furnishes his numerous customers at very low figures. Such men as Mr. Miller deserves success and are bound to win it.

Vote Early, often and late, and buy your books at Rankin's.

Beans.—Our social friend Philip P. Kephart, Esq., of this place, presented us specimens of the "Yard Bean," which were raised in his garden by Mr. Hampton Dorsey, who has justly carned the reputation of being the best gardner in this part of the State. These beans are an excellent "snap bean" as well as a good table article. The pods measure over thirty inches in length and are well filled.

Vote for John I. Thompson.

Mournful Tragedy.—We learn from the Philipsburg *Journal* that Archibald Thomas, an old and respectable citizen of that place accidentally shot himself on the 23d ult. He was fixing a short barrelled gun for the purpose of going with a party the next day to shoot squirrels, when it went off sending three shot through his brain, killing him instantly. His remains were accompanied to the tomb by the Temple of Honor, of which he was a member, and a large concourse of citizens.

Oysters.—The season for oysters has again arrived. Messrs. Downing & Yeager have just received the largest and finest lot of oysters ever brought to this town. It is their intention to deal in oysters wholesale and retail during the season. They are both clever men, keep a genteel quiet eating house, and are the only men in town who out of pure patriotism closed up their saloon all day on the 4th of July last. For Oysters go to Downing & Yeargers.

Rankin's News Emporium, in Bush House is the best. Extra papers at all times.

Hon. James K. Kelly, the newly elected United States Senator from Oregon, is a native of Centre county, Pa., and practiced law for several years at Lewistown, Mifflin county. Upon the discovery of gold in California, he, with a party of gentleman from Centre, Mifflin and Huntingdon counties, wended their way thither, by way of Vera Cruz, City of Mexico and Mazatlan. Reaching the Golden State in safety, he separated from the party, and went to Oregon, and continued the practice of his profession.

Olive Logan, is going to lecture before the Y. M. C. A., of this place on the evening of October 18, 1870, on "The Bright Side." The *Star* thinks this lecture will "outdazzle everything." It is certainly a shining theme, and is, therefore, peculiarly suited to a woman of Miss Logan's brilliant reputation. It embodies, we are told, a woman's plea for cheerfulness, amiability, joyousness and sunshine in the world. We quite agree with the *Tribune* in the opinion that, since Miss Logan is a type of these delightful things, she will make a delightful lecture out of "The Bright Side." It will be the best of all her lectures.

L. C. & S. C. Railroad Meeting.—A Railroad meeting was held at Lewisburg on last Monday night a week, and seven thousand dollars were subscribed at it for the extension af the L. C. & S. C. Railroad from Mifflinburg to the Centre county line. A committee was appointed to canvass the borough to raise thirteen thousand dollars more for the same purpose. As soon as that amount is subscribed by Lewisburg, the grading of the road to the line of this county is fully guaranteed. The prospect of that being accomplished is more possible now than it ever was before. If you want to make the building of the whole road a certainty, vote for Robert H. Duncan, for the Legislature.

Caution.—We would ask all Republicans to keep an eye open for the purpose of detecting fraudulent Republican tickets, as there is a scoundrel traveling this Congressional District distributing tickets with all the names of the Republican nominees on them except Hon. Wm. H. Armstrong's, and in the place of his name, has been substituted Mr. Sherwood's name, the Congressional nominee of the copperheads. Republicans should examine well their tickets before voting, and see that none of these spurious tickets are put in the ballot box. Also to beware of Democratic Roorbacks and forgeries on the eve of election. The Cops. knowing their case to be a desperate one, will resort to any dishonorable means to secure one vote. Our advice is to beware of snakes on the eve of the election, and vote the whole genuine Republican ticket as printed at this office.

For the Republican.

Penn Hall, Friday eve. }
September 23, 1870. }

A grand Literary Exhibition was given by the Students of the Penn Hall Academy, under the control of Prof. A. E. Truxal, on Friday evening September 23d, 1870. The exercises consisted of Declamations, Essays, Dialogues, Orations, and Vocal and Instrumental Music. The salutatory was delivered by our young friend J. W. Shook. Essays were read by Misses Becca S. Lauver, Sallie E. Gift, Ella S. Fisher, Rachel E. Hanna, Amanda Barges and Mr. Z. F. Porter. The subjects selected were suitable for the occasion, ably treated, and well read. The first Declamation was spoken by Geo. B. Crawford, followed by Wm. H. Kister who spoke in a very eloquent manner. A Declamation was also delivered by Wm G. McCool who did himself ample justice before the public. Another Declamation was delivered by our talented young friend and assistant teacher Prof. Geo. W. Kroul who deserves much credit for the able and impressive manner in which he spoke. Next our widely known German friend C. B. Leitzell was called upon the stage to deliver a German Declamation who spoke in a humorous and eloquent style and left the stage amid great applause.

An Oration was delivered by J. M. Evans who spoke in a very fluent manner and to say that he added much credit to himself would be saying but little. Dialogues were performed by Dr. S. R. Breon, Wm. H. Kister and a number of other gentleman accompanied by ladies. Suffice it to say that all the dialogues were very good and well performed. Instrumental music was given by Mr. Wm. T. Meyer of Aaronsburg, Pa. Choice Vocal music was selected by Prof. G. W. Kroul and sung by the students during the evenings exercises. The singing was remarkably good. Much credit is due to the persons who performed the piece entitled, "Song of the Gipsies." Prof. A. E. Truxal then delivered his farewell address in an eloquent and truly affecting manner. In his remarks he thanks the citizens of the community for their patronage and generous hospitality, and to his Students he showed forth the reward for their untiring efforts to gain knowledge.

Important to Hotel Keepers and others. Sale of Household Furniture.—The gentlemanly proprietors of that large and popular hotel of this place, known as the Brokerhoff House, having concluded to retire from the hotel business as soon as their lease expires which will be in a few days, offer at private sale the whole of the furniture of both the Brokerhoff and Conrad house's, in lots to suit purchasers. This is one of the very best opportunities offered to hotel keepers or others who wish to purchase household furniture. The public will sadly miss Messrs. Houseal & Krom, as they kept a good hotel and were well liked by the whole community.

For the latest style of Bonnets and Hats, go to Mrs. Rankin next door to Harper Bros. Her line of Millinery Goods are the best in town, both for beauty and quality. Go and see if you want something nice.

MEEK'S STATEMENTS PROVED FALSE.

Beech Creek, Sep. 30th 1870.

Col. W. W. Brown:—*Dear Sir.* In the *Watchman* of this date I notice an article, under the caption of "Their Bugaboo with the cover off."

In which Mr. Meek charges, that the statement you gave in respect to the Sandy Run swindle is false.

I have been operating on Sandy Run, for Saylor Day & Morey for the last five years, and been there the greater part of my time, and know what you say to be true.

Meek says the bill was forwarded to him by letter. Hold a little, Meek, was not that bill handed to you by Mr. G. W. Welsh, on the morning of the 3d day of February 1869, at the Bolton House, in Harrisburg? Did he hand you a letter or take you to one corner and talk to you about it? How was that? Do you remember? That Welsh and Allen spent seven or eight thousand dollars is totally false. I say they never spent one dollar improving the stream below the dam of Saylor Day & Morey; all they ever did below the dam of Saylor Day & Co., at a place known as John Mann's turn about one mile from the mouth of the stream, Mr. Welsh shut up the channel of the stream with a bush dam costing about $50 which turned the stream out of its channel and cost D. R. Poorman & Bros., of Boggs Township about $200 dollars to get their logs around that brush dam, and that is every dollar Welsh & Allen ever spent within three miles from the mouth of that stream. For the truth of this statement, I refer you to James Poorman, James Coakley, Jerome Confer, Wm. Confer, D. R. Poorman and Miles Poorman, all of Snow Shoe tp., all Democrats, and who resided at that stream for the last four years.

Messrs. Poorman & Bros., had the contract from Saylor, Day & Morey for putting in Sandy Run, and out into Beech Creek, all the logs they had for the last 4 years and they are the parties interested, because they agreed in 1866, to deliver the logs into Beech Creek for the sum of $4,00 per thousand feet. And it is these men who will have to suffer in the end. That we abandoned our dam is equally false. Welsh & Allen never spent a dollar on the dam of Saylor, Day & Morey, except what it required to put it in shape to pass their logs through. And, will they deny that Thomas & Mason paid them about $100 dollars of that, for the use of the dam to help to put their logs out? The last splash that was made on Sandy was made by the dam of Saylor, Day & Morey on the 28th day of April last, and for the truth of this statement I refer you to the parties named above and could give some 15 other names.

Now what was the arrangement to secure the passage of that bill? Simply this? An agent of the firm of Thomas, Mason & Co., was at Harrisburg opposing the bill. But Messrs. Welsh & Allen, made an agreement with Messrs. Thomas, Mason & Co., that if they would withdraw their opposition and permit it to pass, that they, Thomas, Mason & Co's timber, (now Brown, Hastings & Co.,) should be exempt from the toll, and that accounts for the passage of the bill. Will you deny that little arrangement, Mr. Meek?

Meek says he saw in that measure an effort to protect the tax payers of Centre Co. Now who was it intended to protect, the Snow Shoe Company? No it is intended to rob them and that on their own lands. Who pays more tax on real-estate in the county than they? Who furnishes more labor to honest tax payers than they? Were not Smith & Rhoads, large tax payers which this bill intends to rob? Are not Saylor, Day & Morey & Brown, Hastings & Co., large tax payers in Centre County, and have you not brought suit in the court of Clinton county to rob them? The Snow Shoe Company, Brown, Hastings & Co., and Saylor, Day & Morey are too well known to the lumbering men of Liberty, Howard, Curtin, Boggs & Snow Shoe townships, as honest upright and fair dealing parties, to be branded as Philadelphia speculators, by one who would attempt to rob them.

Meek says he did his best to stand by the taxpayers and honest Lumbermen of Centre county. Who did you stand by? Your article tells that, viz: Welch & Allen. Are they tax payers? Please tell the voters of Centre county where they ever paid one dollar tax on any real estate in the county. Not any. You cannot find it. Please ask Mr. Wolf county Treasurer, if this statement is not true.

And as for the honesty of the men you sought to protect, for God's sake say nothing. Let the honest business men, and hard working laborers of Centre county who have been swindled and cheated out of thousands of dollars by the firm of Welch & Allen, answer.—Why, Meek says he has no stock in the concern! Stop and consider again.—Did you not tell S. Hunter Brown in the streets of Bellefonte not three months ago that you owned all of Welch and Allen's interest? He will be qualified you told him so. Did you tell what was true then? and you now tell what is not true, and why? Simply to deceive the honest voters of Centre County. Answer, Mr. Meek.

Mr. Meek also says, that he did not receive the four hundred dollars. I believe that is the only part of his article that is true, because Mr. Allen's character for paying his debts is sufficient for any man that knows him to establish that fact.

What is the inference drawn from Meek's article? Simply this. He obtained the charter for the sole interest of Welsh & Allen in a hidden manner. Never published it in his paper with the other local laws. He did not get the $400 dollars he says; but he did get Welsh & Allen's interest in the whole concern. And now, Mr. Meek please tell us who had any other interest in the improvement on that Run except Saylor Day & Morey whose interest you refused to buy? For the truth of the above I can furnish you with the affidavits of 20 citizens of Centre county if required.

John McGhee.

The Double Senatorial District.—This double Senatorial District is a very extensive one, but the following figures, which are official show that it is Republican when all the Republican votes are united.

The vote for Governor in 1869 stood:

	Geary.	Packer.	G'sm.	P'sm.
Blair	3,484	2,773	711	—
Centre	3,102	4,464	—	362
Hunt'd	2,825	2,368	457	—
Juniata	1,254	1,642	—	378
Mifflin	1,640	1,702	—	62
Perry	2,439	2,408	31	—
	14,744	14,357	1,199	812
	14,357			
Geary's maj.	387			

It is thus conclusively shown that on a fair square partisan issue when there was more disaffection in the Republican ranks than there can be now, the Republicans carried this district for Governor by 387 majority. Why can't they do so again? What is to prevent them? Have the Republicans decreased? On the contrary, have their votes not increased at least a couple of hundred in the district?

By hard work the Senatorial District could be made to roll up a Republican majority of eight or nine hundred. Why not do it?

The Perry Freeman, published at Bloomfield, Perry county, in speaking of the Republican Senatorial nominees of this district says:

Now, in all honesty, we believe and say that if Woods and Wilson be not elected in this Senatorial District, it will be because, not of the candidates themselves, but of the apathy of the Republicans; for they have the votes to elect them by a handsome majority in the six counties. Thus far we are not aware of any disaffection. Upon the contrary, the disaffection appears to be in the Democratic ranks this time. We cannot believe that any Republican will do anything to give the Democrats the control of the next Senate. That would be bartering away their rights for less than a mess of pottage—a blunder that could not be pardoned.

WILLIAMSPORT GAZETTE & BULLETIN

GOOD ADVISE TO DISORGANIZERS.

As our readers very generally know the *Gazette & Bulletin*, an ably Edited and consequently influential journal, published both daily and weekly in Williamsport, was strongly opposed to the re-nomination of Hon. Wm. H. Armstrong. Notwithstanding its opposition Mr. Armstrong obtained the unanimous nomination in that county, as well as the nomination by acclamation in the Congressional Conference.

One of the Editors of that paper was an applicant for the appointment of Post Master of Williamsport. He was dissappointed, and no doubt felt sorely aggrieved, and financially injured. He made his best fight against Mr. Armstrong before the nomination. He lost, Mr. Armstrong won. Now what does the Editor of the *Gazette and Bulletin* do? After failing to defeat Mr. Armstrong's nomination, does he for mere personal satisfaction, or gratification, continue to fight Mr. Armstrong, and thus work the defeat of his party? No, he possesses too much good sense and pure love for Republican principles, to do an act so foolish, and selfish.

We congratulate the Editor for his good sense, his manly course, and after commending his action to our friend J. G. Kurtz and a few other disappointed men, who falsely charge Mr. Armstrong for their defeat, we will do the Editor of the *Gazette and Bulletin* justice by permitting him to speak for himself.

Mr. Armstrong is the nominee of the Republican party of the district, and as such, should be voted for by the Republicans. His votes in Congress are on the right side and for the right measures. He is firmly and reliably for protection to American industry, while his Democratic opponent represents the free trade party, and would vote for that measure, which, above almost any other, would be ruinous to the prosperity of the country. The charge that Mr. Armstrong dodged the question when in Congress, has not the slightest foundation. We have no fears of his soundness on all the great measures required to sustain the principles of the Republican party. Like many other men we have seen nominated, we should have preferred some other candidate; but he represents Republican principles, and as such a representative, should be voted for by all who feel the importance of maintaining a Republican majority in Congress. He cannot be defeated in this district. The enemies of the party are rejoicing over the divisions in Tioga, but they cannot change the result, however much they may exhibit the fact that men often allow their private preferences to work injury to their professed principles. Two candidates are presented to us for Congress. Wm. H. Armstrong, who represents the principles which Republicans have labored to engraft into the government, and the unity, liberty and peace for which our soldiers fought in the field. Mr. Sherwood, his opponent, represents that party which has, for forty years, been the friend of slavery, secession and rebellion. His record during the war is that of other prominent men of his party—opposition, hatred and contempt for the soldiers of the Union; always ready to fire in the rear of the union army and throw obstacles in the way of human progress and human liberty. In such a case, it is not a qestion of personal likes or dislikes. It is: which of these two parties do you wish to have represent you in Congress? What we say of Congress, we wish to be understood as saying of the Legislature also. To maintain republican ascendancy and republican principles, individual objections must be sunk in and for the general good, just as in the organization of all society and governments a portion of individual liberty must be surrendered to the general welfare.

Republicans, friends of freedom, and of the great doctrine of Protection to American Labor, we exhort you to profit by the example set you, and the good advice given in the above article. Close up the ranks and work shoulder to shoulder, for Republican principles, Republican men, and glorious victory.

For the Republican.

BIG SANDY RUN IMPROVEMENT COMPANY.

MEEK AS SECRETARY—IS HE A STOCKHOLDER?

CARD OF A. O. FURST, ESQ.

Bellefonte, Pa. Sept. 30th, 1870.

Col. W. W. Brown:—*Dear Sir.* In the last issue of the "*Watchman*" I am accused of having written the article in the "Republican" of this week on the subject of the charter of Big Sandy Run Improvement Co.

It is hardly necessary for me to inform you, Mr. Editor that I was not the author of the article, and that I did not prepare it, or assist in preparing it for publication. From certain things in the article I should infer that it was written by the agent of Saylor Day & Morey. I was consulted by Messrs Brown Hastings & Co., upon the subject of this charter. They informed me that the *Hon. P. G. Meek*, as Secretary of the Company, had been insisting on them to pay a *very large bill* for floating their logs down this creek. That the bill was unjust, and that they owed the Company nothing, as they had not used any of the Companys Improvements in floating their logs; that in fact the Company under its charter had no Improvement on the stream. In refering to the act of Assembly of 1869, I could find no charter for the Company. I therefore called upon Mr. Meek, who kindly produced the charter from a Drawer in his office and read it in my hearing.

After several interviews Brown Hasting & Co., declined paying anything to the Company for the right to float logs down this stream; for reasons which may hereafter appear in the trial of the suit instituted by the Company to enforce payment. But I desire to add one thing further, Mr. Meek in the article refered to, says he does not own any stock in the Company. If such be the fact he must have sold it since his interview with me because in one of our conversations *he did say to me, that he had bought the stock of Welsh & Allen.* Whether his allegation of being a stock holder, be true or false, I do not pretend to judge. Very Respectfully,

A. O. Furst.

All our producing classes, including mechanics, artisans, and farmers, are interested in maintaining protection. Only non-producing capitalists, as importers, traffickers, and the class of middlemen whose business connections are chiefly with foreign countries, are benefitted by free trade. Notwithstanding this fact, all good men belonging to all the respective classes named in this District are going to vote for Wm. P. Wilson, because they know him to be an honest man, and will do what is right if elected.

ROSADALIS.
THE GREAT AMERICAN health RESTORER, purifies the blood and cures Scrofula, Syphilis, Skin diseases, Rheumatism, and all Chronic Affections of the blood, Liver and Kidneys. Recommended by the Medical Faculty and many thousands of our best citizens. Read the testimony of Physicians and patients who have used Rosadalis; send for our Rosadalis Guide to Health Book, or Almanac for this year, which we publish for gratuitous distribution; it will give you much valuable information.
Dr. R. W. Carr, of Baltimore, says:
I take pleasure in recommending your Rosadalis as a very powerful alterative. I have seen it used in two cases with happy results—one in a case of secondary syphilis, in which the patient pronounced himself cured after having taken five bottles of your medicine. The other is a case of scrofula of long standing, which is rapidly improving under its use, and the indications are that the patient will soon recover. I have carefully examined the formula by which your Rosadalis is made, and find it an excellent compound of alterative ingredients.
Dr. Sparks, of Nicholasville, Ky., says he hasused Rosadalis in cases of Scrofula and Secondary Syphilis with satisfactory results—as a cleaner of the Blood I know no better remedy.
Samuel G. McFadden, Murfreesborough, Tenn., says:
I have used seven bottles of Rosadalis, and am entirely cured of Rheumatism; send me four bottles, as I wish it for my brother, who has scrofulous sore eyes.
Benjamin Bechtol, of Lima, Ohio, writes, I have suffered for twenty years with an inveterate eruption over my whole body; a short time since I purchased a bottle of Rosadalis and it effected a perfect cure.
Rosadalis is sold by F. P. GREEN, and Druggists generally.

COMPLETION OF THE PACIFIC RAILROAD.

GREAT RUSH TO STERNBERGS.

Sung to the tune of Yankee Doodle.

The Great Pacific Railroad's laid,
From ocean unto ocean,
And now complete connections made,
An enterprising notion.

The mighty work at last is done,
So speedy and brisk, oh!
And now in ten days we can run
From here to San Francisco.

No more we take the ancient route,
The stage, a horrid slow thing;
It banged the passengers about
And wore out all their clothing.

CHORUS, for the end of each verse:

The Great Pacific Railroad laid,
From ocean unto ocean,
And we buy clothes from A. STERNBERG,
A most delightful notion.

Through passengers by the Pacific Railroad will call at the store of A. Sternberg, before starting, and provide themselves with a complete outfit of Spring and Summer clothing, the very best assortment of which will always be found at A. Sternberg's Store.

People who travel by other routes, and also people who, instead of travelling by any route at all, prefer to stay at home, can find the most superior and seasonable garments, for every occasion, of every variety, and at the lowest price.

Do not fail to call and examine our stock before purchasing elsewhere; if you do not, we are sure you will be sorry that you did not. Our goods are put down to the lowest figure. We sell whole suits, according to quality.

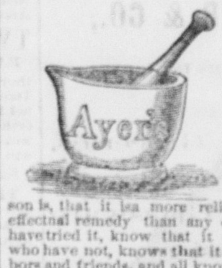
Ayer's Cathartic Pills.

For all the the Purpose of a Laxative medicine.



Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use in every county and among all classes, as this mild but efficient purgative **Pill.**—The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them: those who have not, knows that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterous drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh, and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal vicera to purify the blood and stimulate it into healthy action—remove the obstructions from the stomach' bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

For **Dyspepsia** or **Indigestion, Listlessness, Languor and loss of Appetite,** they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or GREEN SICKNESS, BILLIOUS COLIC and BILLIOUS FEVERS, they should be judiciously taken for each case. to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa,** but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back or Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL take one or two PILLS to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

It is a great restorer for the strength and vigor of the system. Those who are languid, sleepless, have *nervous apprehensions* or fears, or any of the affections symptomatic of weakness, will find convincing evidence of its restorative power upon trial. If you feel dull, drowsy, debilitated and despondent, have frequent *Headache, mouth tastes badly* in the morning, *irregular appetite* and *tongue coated,* you are suffering from *Torpid Liver* or *"Biliousness."* In many cases of *"Liver Complaint"* only a part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal as it effects perfect cures, leaving the liver *strengthened* and *healthy.* For the cure of Habitual Constipation of the Bowels it is a never failing remedy, and, those who have used it for this purpose are loud in its praise. In *Bronchial, Throat and Lung Diseases,* it has produced many truly remarkable cures, where other medicines had failed. Sold by Druggists at $1,00 per bottle. Prepared at the Chemical Laboratory of R. V. PIERCE, M. D., Buffalo, N. Y.

MANHOOD

In the Young and Rising Generation-

The vegetative powers of life are strong, but in a few years how often the pallid hue, the lack-lustre eye and emaciated form, and the impossibility of application to mental effort, show its baneful influence. It soon becomes evident to the observer that some depressing influence is checking the development of the body. Consumption is talked of, and perhaps the youth is removed from school and sent into the country. This is one of the worst movements. Removed from ordinary diversions of the ever-changing scenes of the city, the powers of the body, too much enfeebled to give zest to healthful and rural exercise, thoughts are turned inwards upon themselves.

If the patient be a female, the approach of the menses is looked for with anxiety, as the first symptom in which Nature is to show her saving power in diffusing the circulation and visiting the check with the bloom of health. Alas! increase of appetite has grown by what it fed on; the energies of the system are prostrated, and the whole economy is deranged. The beautiful and wonderful period in which body and mind undergo so facinating a change from child to woman, is looked for in vain. The parent's heart bleeds in anxiety, and fancies the grave but waiting for its victim.

HELMBOLD'S

EXTRACT BUCHU

For Weakness arising from excesses or early indiscretion, attended with the following symptoms: Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, General Weakness, Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision Langour, Universal Lassitude of the Muscular System, Often Enormous Appetite with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the Eyes, with Temporary Suffusion and Loss of Sight, Want of attention, Great Mobility, Restlessness, with Horror of Society. Nothing more desirable to such patients than Solitude, and nothing they more dread, for Fear of Themselves; no Repose of Manner, no Earnestness, no Speculation, but a hurried Transition from one question to another.

These symptoms, if allowed to go on—which this Medicine invariably removes—soon follow Loss of Power, Fatuity, and Epileptic Fits, in one of which the patient may expire.

During the Superintendence of Dr. Wilson at the Bloomingdale Asylum, this sad result occurred to two patients; reason had for a time left them, and both died of epilepsy. They were of both sexes, and about twenty years of age.

Who can say that these excesses are not frequently followed by those direful diseases Insanity and Consumption! The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears. The countenance is actually sodden and quite destitute—neither Mirth or Grief ever visits it. Should a sound of the voice occur, it is rarely articulate.

"With woeful measures wan Despair
Low sullen sounds their grief beguiled."

Whilst we regret the existence of the above diseases and symptoms, we are prepared to offer an invaluable gift of chemistry for the removal of the consequences.
